MEMORANDUM FOR: Director of Security

SUBJECT: Gallagher Polygraph Bill

Mr. Houston suggested that I draft up a suggested reply on the Gallagher polygraph bill and send it to you for any comments, or changes. You will note that I haven't commented in the draft on the impact of Section 21(b)(2) on Page 2 of the bill. Compliance with requirement to report every instance of use of polygraph to the Speaker of the House and President of the Senate would also be in subordination of the DCI's security responsibilities, but I don't think it would be politic to say this at this time in this letter. I am going on leave but [REDACTED] has been much closer to this than I and he will be back Tuesday to take over.
